Dear parents and carers,

I would like to take this opportunity to congratulate your child's efforts in their learning throughout 2018. It has been a wonderful year with many challenges, experiences and opportunities to grow and develop here at Illaroo Road. Your child's teacher has taken considerable time to evaluate and report your child's progress. Please share this information with your child and celebrate their learning.

If you have any questions about your child's report, please contact your child's teacher before the end of the school year.

2019

Class Formation

All students in Years 1-6, 2019, will return to school on Wednesday 30th January. On the first day, all students will return to their 2018 classes. New classes will not be formed until the school has determined the number of students enrolled and final class numbers determined. Your child may be with their 2018 class for the first few days or even the first week depending on enrolment numbers. All students will move to their new classes once numbers are finalised. We will complete this process as quickly as possible. Quality learning will still continue for all students at all times while we finalise 2019 classes.

Requirements

With this letter you will find the requested start-up items for your child based on their year level. Once your child is in their new class, there may be additional resources requested by your child's teacher. We attach this initial list as we recognise that families like to be prepared for the start of the school year.

Thank you all for your ongoing support of your child's learning. On behalf of the staff at Illaroo Road, I would like to wish you all a wonderful Christmas and hope everyone has a relaxing break. I look forward to continuing our positive partnership in 2019.

Kind Regards
Jacqui Piggott
Principal
