PHOTO DAY

Photo envelopes have been sent home today from MSP. Apologies to all families with the delay in sending home these envelopes as there was an enrolment issue that was out of both the school's and MSP's control.

A message from MSP:

We have extended the cut off date for the final online ordering of school photos to be midnight Wednesday 27th February 2019. The envelopes state that a surcharge will apply for orders placed after photo day. *We will not apply the surcharge until after 27th February 2019.*

Sibling Photo

Photo envelopes for siblings are available from the school office. If you are unable to collect them yourself, please send your son/daughter to the office to request an envelope. Sibling photos will take place from 8:00am in the school hall. There will be a catch up sibling photo session during the recess and lunch breaks.

What to Wear?

All students need to be in their full school summer uniform.

Information

Your photo envelope contains all the information you need for ordering and payment. Remember, there will be no late fee to any online order placed up until midnight 27th February.

MSP's number can be found on the envelope. If you have any questions regarding ordering or payment please contact them directly.

What happens on Photo Day?

All students will have an individual and class photo on the day. Year 6 students will have a fun and formal graduation photo taken that will be presented at the end of the year at their graduation ceremony.

The P&C coordinate the smooth running of the day. They assist your children to look their best in their photo.
